Dear Samuel & Sarah,

I now again take my pen to write a few lines to you. Hoping it will find you both happy and in good health as it leaves us all at the present, except Tom & Henry's Ernest and both of them seem to be in a bad way. The Doctor says that Ernest is in the decline. Tom has been to London a month for advice but he has not gained any benefit by that for he has had a very large tumor form in his left side, but it is now broke and discharges itself a great deal. I shall say nothing about the news of the place the rest will tell you about that. I will only say the enemy is now again very busy as there is a few now and again about to leave England for the Valley. Mr. Patten is coming out this season, we expect outdoor preaching to commence next Sunday at Aughton up again Sam Barlow. Mr. Beck and Mr. Bird are both men from the Valley. Elder Beck is coming on Sunday but whether it will be he that will speak or Spackmans or Newman I cannot say. Mr. Bird has been to our house twice and he seems to be a very kindhearted good man. All the family was present both times when he was there and he spoke to us upwards of an hour in a very affective way concerning the principals of the gospel but he did not stay there neither of the nights but he went to - to Joyce's to sleep as that would make him two miles further on his way as he was going to greatly station to take the train. Your mother and me thinks of being baptized if all is well once before John starts and I think if the way is open next spring if the Lord spares us, you may expect to see us both if we can make all things right to get away. I want you to write as often as you can and let us know how you are getting on in all things. You must not look after my writing for it is hard work for me to write at all I have the cramp so in my fingers. Give my best respects to your brother Robert and wife, all sends their best of kindness love to you both, except the same from we your Father & Mother.
